Workshop on Enhancing Strategic Goals of RCARO

Background

As endorsed by the 34th RCA National Representatives Meeting in Beijing, RCARO is organizing a Workshop on enhancing strategic goals of RCARO.

Dates

10-12 July 2012

Venue

Ramada Plaza Hotel, Jeju, Republic of Korea

Participants

The participants for the Workshop would include Members of SAC, interested National RCA Representatives, and experts from Member States in addition to the staff of RCARO. The participants in the Workshop are expected to participate in the discussions on the subjects of interest.

Objectives of the Workshop

The Workshop aims to brainstorm on the following topics:

- 1) To review and evaluate the RCARO activities and discuss future directions to strengthen its role
- 2) To discuss the matter on the coordination of the thematic areas for the RCA projects
- 3) To discuss preparation of the panels for the RCA 40th anniversary exhibition

Expected Outcomes

The workshop will make a report on discussions on the following matters for consideration of General Conference Meeting of the National RCA Representatives.

- 1) Measures to strengthen the role of RCARO
- 2) Recommendations on the coordination of the thematic areas for the RCA projects
